

Birth Pool Hire

The Birth House offers "Pool in a Box" birth pools for hire and pool liners for sale. For infection control purposes, a single use pool liner must be purchased and used.

Cost of Hiring Pool \$90.00

Purchase of Liner \$60.00

Duration of hire We recommend that you hire the pool from 37 weeks and ask that you arrange return of the pool to us within a week of your birth.

If the birth pool is not used, the pool liner can be returned to us unopened and in original packaging for a full refund of the cost of purchase.

Your own hose must be used to fill and empty the pool. We recommend that you use a food grade hose to fill the pool. You may also need to purchase a tap/hose fitting.

Confirmation of Booking

Booking of the birth pool will be confirmed when the booking form has been signed and returned, and payment has been received in full for pool hire and pool liner purchase.

Payment can be made via EFTPOS/Credit Card at The Birth House, or via EFT:

Birth Pool Hire - Terms & Conditions

Damage to Equipment

The hirer is responsible for any damage to the equipment.

Cancellation Fees

Cancellation fees will be assessed on an individual basis, however an admin fee may apply.

Responsibilities

It is the responsibility of the hirer to pack the empty, cleaned, and dried pool back into its bag, complete with instructions and accessories and deliver it back to The Birth House.

You must always use a liner when filling the birth pool, even for trial runs or relaxation and especially for labour and birth.

In hiring equipment from The Birth House you are agreeing to these Terms & Conditions.

We sincerely hope you enjoy the use of the birth pool and wish you a gentle, beautiful birth through water.
